

CYBERTECH GLOBAL TEL AVIV 2024

THE FLAGSHIP EVENT CELEBRATES **TEN YEARS**

April 8-10, 2024

Cybertech Global, one of the greatest international cyber events globally, is celebrating a decade by hosting its tenth edition in Tel Aviv. A three-day conference featuring top speakers worldwide, a rich company and startup exhibition, special events, and a vast networking platform provides an opportunity to connect with others in the cyber, tech, and innovation ecosystem.

The conference in Tel Aviv is our flagship event, with about 20,000 participants from over 90 countries, and growing. Government entities, industry leaders, academics, investors, businesses of all sizes, students, and more attend, learn, share new concepts, and network.

Cybertech Global is a breeding ground for international knowledge, ideas, and innovative concepts in the cyber field. The diverse sessions cover various topics – from security to logistics, finance, education, communication, investments, health, and more, with sector-specific special events designed to explore unique challenges and opportunities.
