Icelandic Ultra Algae
Premium Supplements

ABOUT US

After years of pursuing a sustainable, bioactive solution, we at VAXA invented a patented growth environment where microalgae thrive, becoming a truly regenerative source of nutrition with global impact. We call this, Energy to Food (E2F) technology, in which clean and renewable energy from one of the largest geothermal plants in Iceland, is converted into impact nutrition.

Our E2F technology is creating a new standard resulting in Icelandic Ultra Algae, a bioactive natural, vegan, ingredient from a carbon negative source.

This is the technology behind ÖRLÖ.

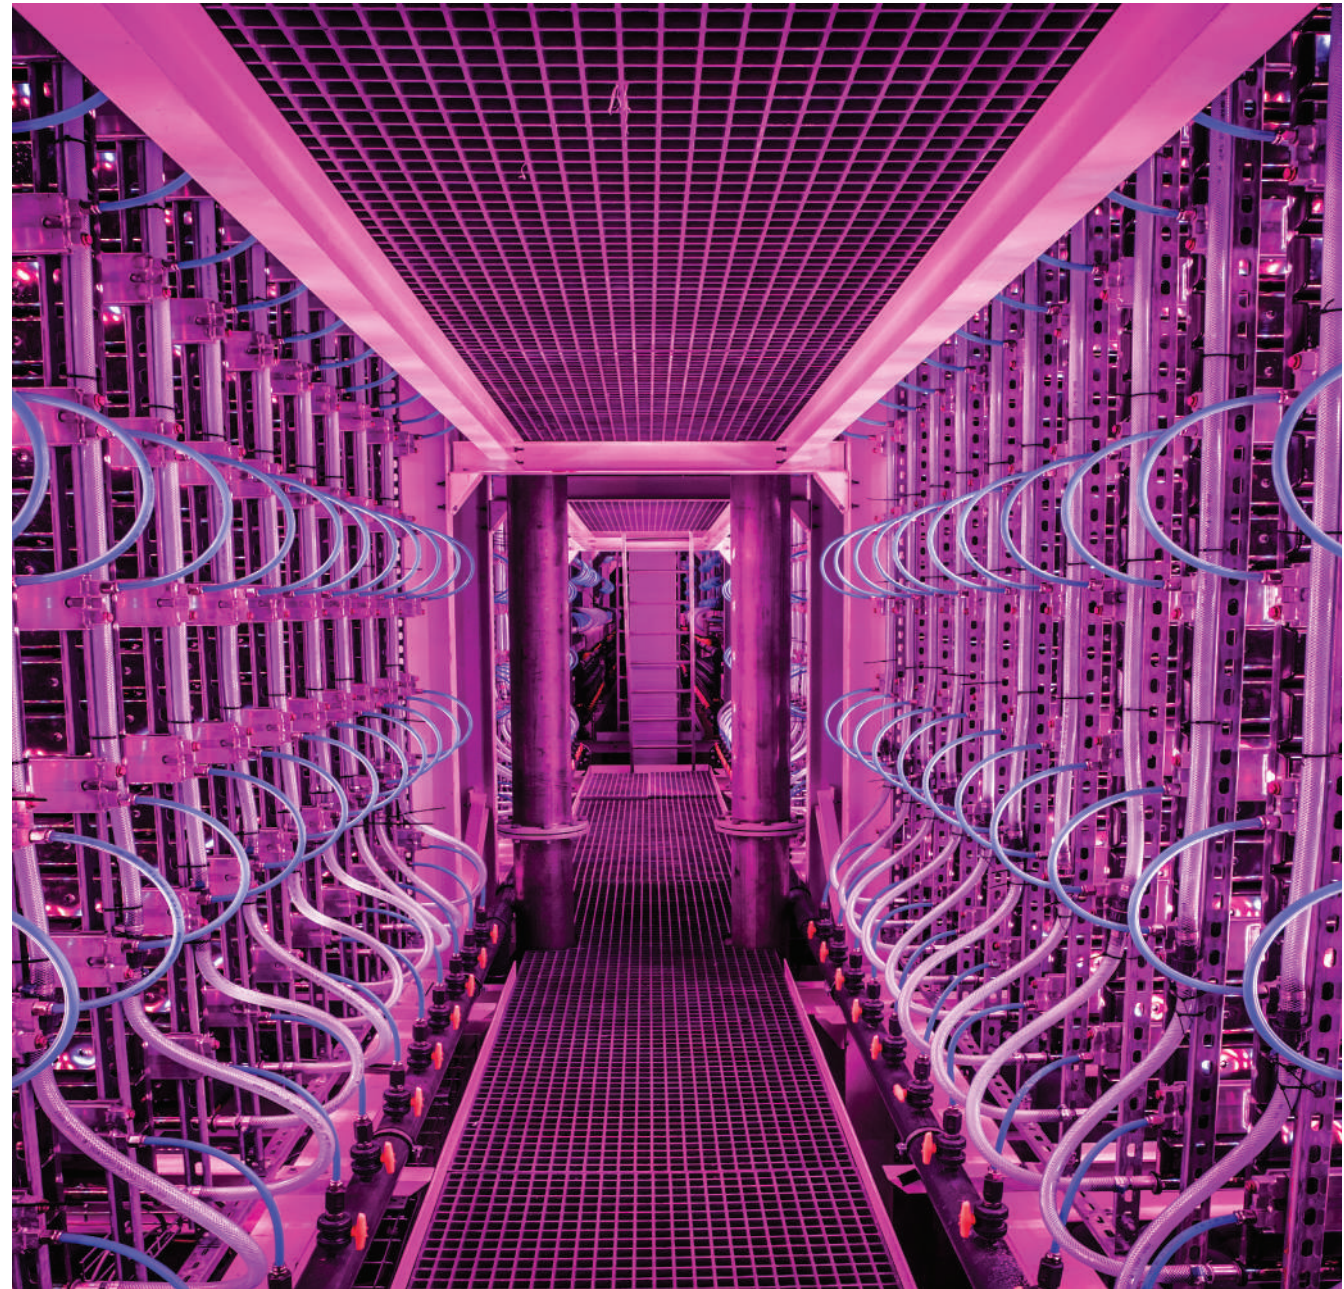

ÖRLÖ's revolutionary Icelandic Ultra Algae naturally activates your cells to unleash the energy you need to optimize productivity, focus and endurance.

Activate Your Cells™

THE WORLD'S FIRST CARBON NEGATIVE ALGAE SUPPLEMENTS

Our groundbreaking aquaculture plant house in Iceland is integrated with one of the world's largest geothermal plants. We use less than 1% of land and water compared to outdoor algae cultivation, utilizing waste heat, 100% green energy, pristine water and natural CO2 emissions, to create **the world's first carbon negative and a fully regenerative production process.**

Activate Your Cells™

THE ICELANDIC CONNECTION

With its unique geologic location, Iceland is a global leader in generating clean geothermal energy.

Our technology platform is tailored to leverage the clean, natural outputs of a geothermal plant in Iceland, allowing us to grow microalgae indoors, completely independent of weather conditions.

We're proud of our success in transforming Iceland into the perfect environment where microalgae thrive, becoming a truly regenerative sources of nutrition with global impact.

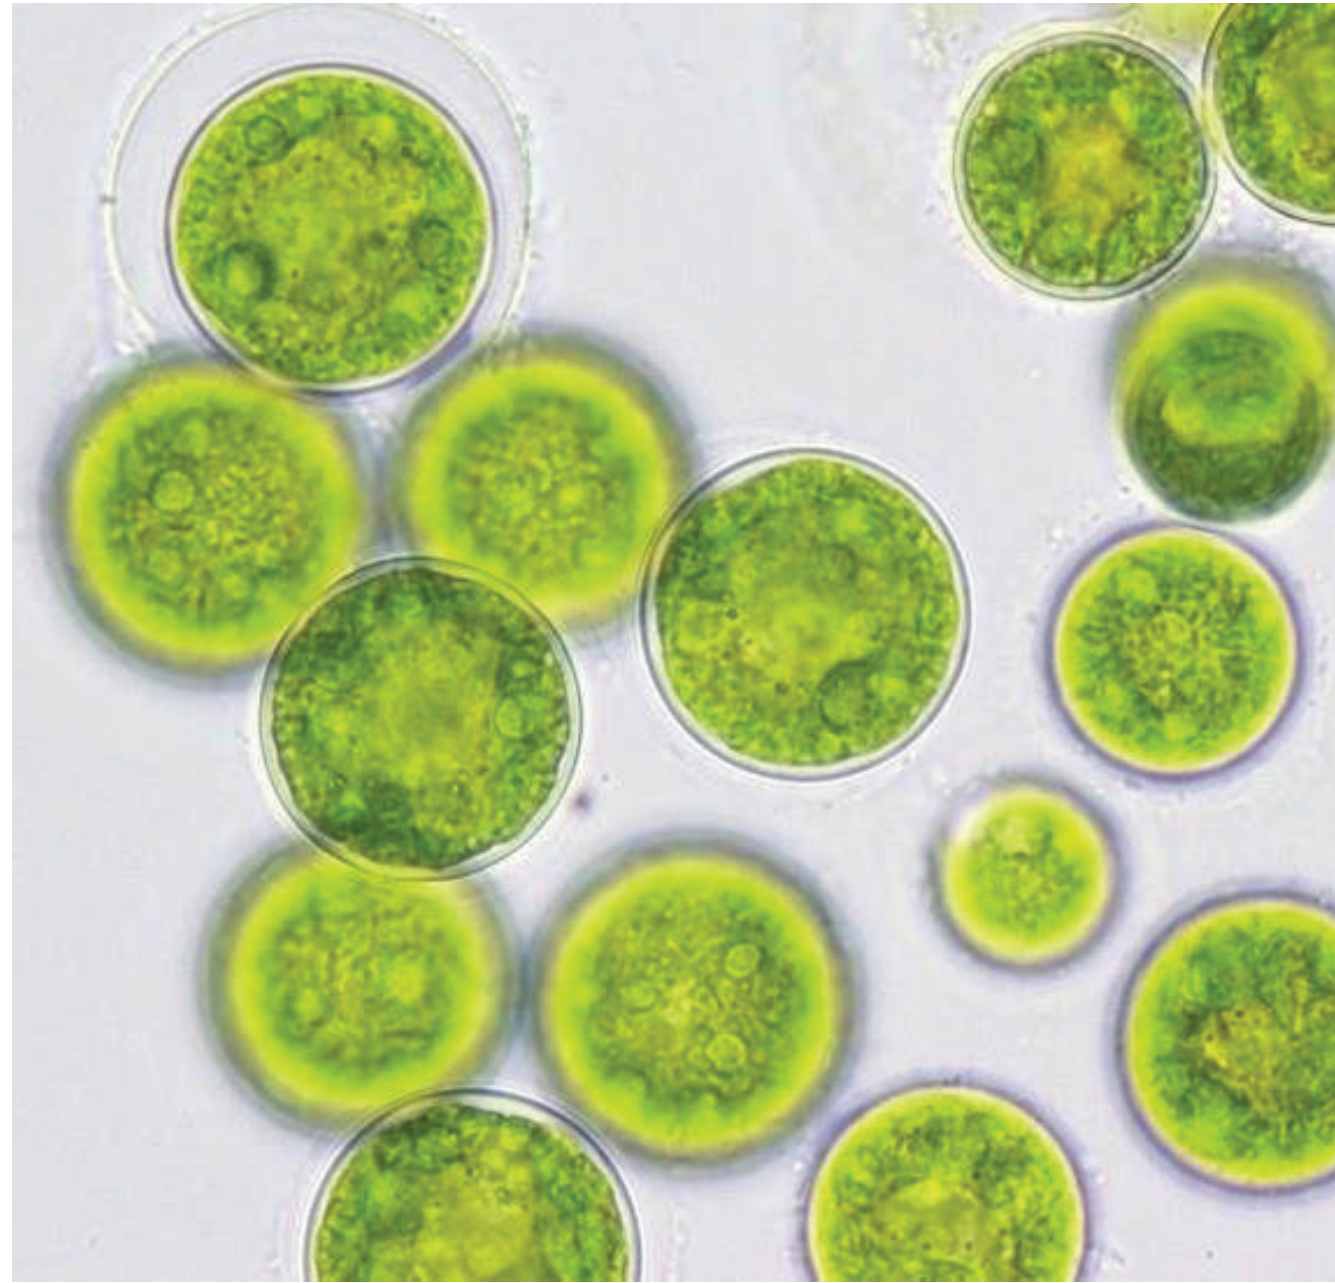

Activate Your Cells™

IT'S ALL ABOUT THE SOURCE

Icelandic Ultra Algae

Our unique technology provides optimal growth conditions for our algae, **activating natural metabolic pathways**. Through proprietary clean extraction process, we maximize the biological impact so it is recognized and optimally absorbed by our bodies, providing unparalleled nutritional benefits.

OUR PORTFOLIO

Icelandic Ultra Spirulina™

Icelandic Active Omega 3

Activate Your Cells™

Icelandic Ultra Spirulina (IUS™)

The Power of Icelandic Ultra Spirulina comes from its growth technology resulting in unparalleled nutrition content and superior user experience.

- B12** The only natural, vegan source of Active B12 in methylcobalamin form
- Fe** Natural Active Iron (Heme Fe²⁺ ion)
-  Contains all essential amino acids
-  No smell or taste

IUS is also the ideal carrier for additional nutrients vital to critical body functions. By complementing the outstanding properties of our Icelandic Ultra Spirulina with carefully selected clinically-proven ingredients, we craft unique formulas to address immune health, brain performance & focus, as well as women's vitality, in great-tasting functional products!

ÖRLÖ Icelandic Ultra Spirulina™ WOMEN'S VITALITY MIX*

Pineapple & Passion Fruit Flavored

Supports energy, metabolism, immune function, and recovery from stress & fatigue*

Made with natural ingredients using advanced technology, ORLO's Icelandic Ultra Spirulina Women's Vitality Mix has a unique complex of active vitamin B12 (methylcobalamin), iron (Heme Fe²⁺ ion), and probiotics in an ultra-absorbable form to speed up replenishment. It's vegan, grown with NO pesticides or herbicides, and with demonstrated purity (California Prop 65 Compliant).

Besides its unique properties, Icelandic Ultra Spirulina also serves as a unique nutrient delivery platform for other carefully selected natural ingredients formulated into this product. Crafted with versatility in mind, IUS Women's Vitality Mix may be conveniently mixed with water or added to any drink or shake.

Target Market: Women of all ages, postnatal, while breastfeeding, during times of stress, fatigue, hormonal changes from puberty through menopause, and recovering from illness/injury

Bulk package contains: 441g (15.55 Oz.); 30 servings

Suggested Use: Mix 1 one scoop with 237-473 ml (8-16 oz) of water or in your favorite smoothie.

Activate Your Cells™

ÖRLÖ Icelandic Ultra Spirulina™ | WOMEN'S VITALITY MIX*

Glycine

Supports metabolic health

Vegan Vitamin D3

Supports a healthy mood, bones, and immune system

Cranberry

Supports the urinary tract's natural balance, rich in antioxidants

Zinc

Supports immune health
healthy hair, skin, and nails

DE111® *Bacillus subtilis*

(a shelf-stable spore-form probiotic)

Clinically tested to:

- Support normal immune function
- Promote urinary tract and digestive health
- Balance energy-yielding metabolism
- Reduce occasional tiredness and fatigue

L-Tyrosine

Supports:

- Working memory
- Mental performance
- Healthy mood when under high stress
- Multitasking, fatigue, and sleep deprivation

Icelandic Ultra Spirulina

56 vitamins and minerals

- Complete essential amino acids
- 12 vitamins including B , E & K
- Antioxidants and carotenoids

Natural Active B12 (methylcobalamin)

Supports:

- Normal red blood cell formation
- Cell division
- Normal energy metabolism
- Normal immune system

Natural Active Iron (Heme Fe2+ ion)

Supports:

- Normal cognitive function
- Immune system function
- Reduced occasional tiredness and fatigue
- Normal energy-yielding metabolism

Activate Your Cells™

ÖRLÖ Icelandic Ultra Spirulina™ BRAIN PERFORMANCE BAR*

Green Apple & Lime Flavored

Supports brain performance and focus*

In critical moments when you must perform, you need a quick and easy solution to stay on top.

ÖRLÖ's Icelandic Ultra Spirulina Brain Performance Bar is an optimized, plant-powered solution that provides an immediate burst of energy and supports physical stamina, focus, and mental clarity without a post-exercise crash.

ÖRLÖ's Icelandic Ultra Spirulina provides the unique long-term benefits of Active B12, iron, essential amino acids, vitamins, and minerals vital for energy production. It also serves as a synergistic platform for better absorption of the carefully selected nutrients including L-theanine, Green Tea Caffeine, and Lion's Mane Mushroom extract to create a surge of energy. Supports focus, memory, and learning performance, all packed into a delicious coconut & chocolate chip cookie dough flavored bar.

Target Market: students, gamers, professionals, and anyone who's facing a cognitive and physical challenge that demands high concentration for a short time

Serving Size: 1 Bar 50g (1.76 Oz.)

Suggested Use: For optimal results eat 1 bar, 1 hour before enhanced mental or physical activity

Activate Your Cells™

ÖRLÖ Icelandic Ultra Spirulina™ | BRAIN PERFORMANCE BAR*

Caffeine from Green Tea

Supports stamina and performance

L-Theanine

Supports:

- Improved cognitive function
- Recovery from psychological stress
- Maintains normal sleep

Lion's Mane

Supports:

- Brain regeneration
- Neuroplasticity
- Nerve growth factor
- Memory, and a healthy mood

Icelandic Ultra Spirulina

56 vitamins and minerals

- Complete Essential amino acids
- 12 vitamins including B, E & K
- Antioxidants and carotenoids

Natural Active B12 (methylcobalamin)

- Normal red blood cell formation
- Cell division
- Normal energy metabolism
- Normal immune system

Activate Your Cells™

PURE, POTENT, ACTIVE POLAR OMEGAS

The unique polar lipid structure of our algae provides superior absorption and nutritional benefits. This also makes for smaller pills and zero fishy burps.

-  3X more bioavailable vs. fish oil omega-3 (polar lipid form)
-  Smaller, easy-to-swallow soft gels
-  Algae-based = 100% Vegan
-  Polar Lipid form
-  No fishy burps - No aftertaste

Vegan Softgel Shell (Non-GMO Modified Cornstarch, Glycerin, Sorbitol, Seaweed Extract, Purified Water)

Activate Your Cells™

Pure, Potent, Active Polar Omegas | ACTIVE OMEGA-3

Cognitive Performance

Supports neuronal communication, improving neuroplasticity and memory.*

A Balanced Healthy Mood

Support a healthy mood and calm state of mind.*

Joint Comfort & Sensitivity to Pain

Associated with greater joint mobility and function, and can even reduce your sensitivity to pain.* In combination, this means you can get moving, improve your exercise quality, and retain your health-span.

Heart

Vital support to the entire cardiovascular system*

Energy & Sport

Power up your body by helping produce ATP (cellular) energy*

Joints & Muscles

Supports joint comfort and motility

Digestion

Helps keep your gut microbiota diverse and healthy.*

Natural Shield

Aids in boosting the body's immune system*

Inflammation Support

Support the production of resolvins which quite literally resolve inflammation.

Activate Your Cells™

Pure, Potent, Active Polar Omegas | ACTIVE PARENTAL DHA

Clarity & Focus

Supports healthy focus and attention.*

Cognitive Performance

Supports neuroplasticity and can combat early signs of brain aging.*

Healthy Sleep

Essential for the production of melatonin, which helps you sleep.

EYES

Supports healthy eyes, visual acuity and moisture levels.*

SKIN, HAIR & NAILS

Supports healthy skin, nails, and stimulates the growth phase of hair, supporting healthier, fuller hair with consistent use.

Fertility

Sperm has high levels of DHA and is integral in building healthy sperm with greater motility.*

Menstrual Pain

Support the production of resolvins which quite literally resolve inflammation and reduce pain.

Activate Your Cells™

Pure, Potent, Active Polar Omegas | BABY and MOTHER

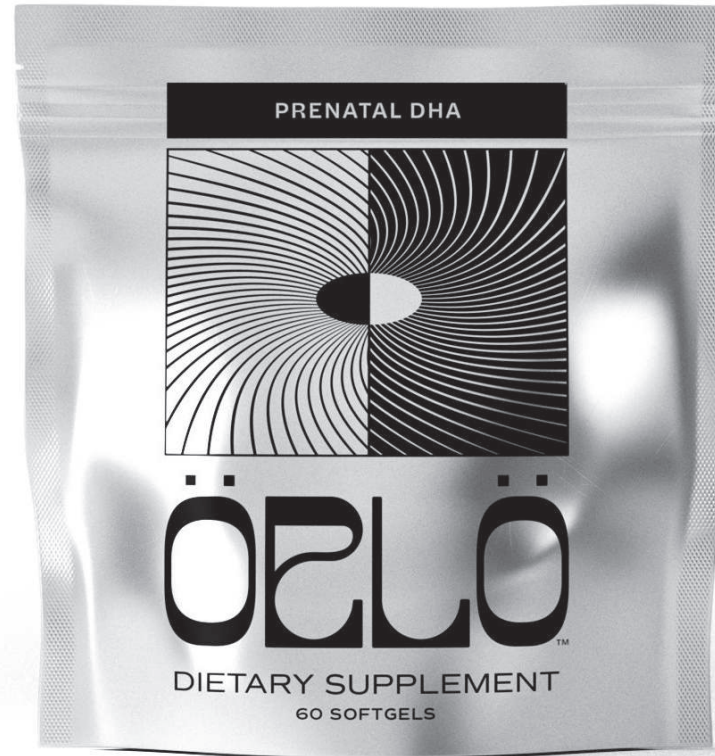

Pre & Post Natal

Since baby gets their DHA from the breast milk they consume, Active DHA should be consumed for the entire period of breastfeeding.

Critical for baby health. Sufficient DHA intake during pregnancy (at least 300 mg/day) support a fuller term.* The polar lipid form ensures better omega absorption, no burp back, and no upset stomach whether taken with or without food.

Brain & Eye Development

We need to ensure we get enough bioactive DHA each day to supply our baby with everything they need to develop healthy organs, including the brain and eyes.*

Replenishment

Since mom is giving so much of her vital nutrition to her developing baby each and every day, it's critically important that she replenish her stores of vital nutrition by getting a bioactive supply of DHA each and every day.

Immunity

Supports the reduction of cortisol levels (stress) in your body's system, and helps support a healthy immune system.*

Mood

Supports healthy energy levels, which impact mood.

Activate Your Cells™

WE ARE MAKING A DIFFERENCE

Our ACTION program is designed to provide improved nourishment to marginalized communities by fortifying traditional foods that lack sufficient vitamins and nutrients with the VAXA Icelandic Ultra Spirulina (IUS) mix, a vegan natural ingredient that's rich in iron, protein, amino acids, and active natural B12, essential to nourish the brain and nervous system.

VAXA positively impacts people and the planet and is actively working towards the United Nations Sustainable Development Goals.

We enable communities in developing economies to achieve long-term food security through education and capacity building.

Over the next decade we aim to reduce 100M tons of CO₂e emissions, allowing us to feed millions of malnourished people.

That's what we call Impact Nutrition!
