The Innovation Summit 2025

The Future of AI, Cyber, and Quantum

Monday, June 23rd, 09:00-15:00

Tel Aviv University

Kicking off an exciting week of tech, the Innovation Summit returns for its second year. This summit brings together the brightest minds in Israeli innovation, investment, and research to explore the cutting edge of AI, cybersecurity, and quantum computing.

join us for high-impact discussions on:

- Israel's leadership in deep tech and emerging technologies
- The evolving investment landscape and global collaboration
- Breakthroughs at the intersection of AI, cybersecurity, and quantum computing
- The impact and future of overseas investments for the Israeli market
- Outlooks and predictions for the future of AI, Cyber and Quantum tech

Cyber Week - June 23rd–26th, 2025

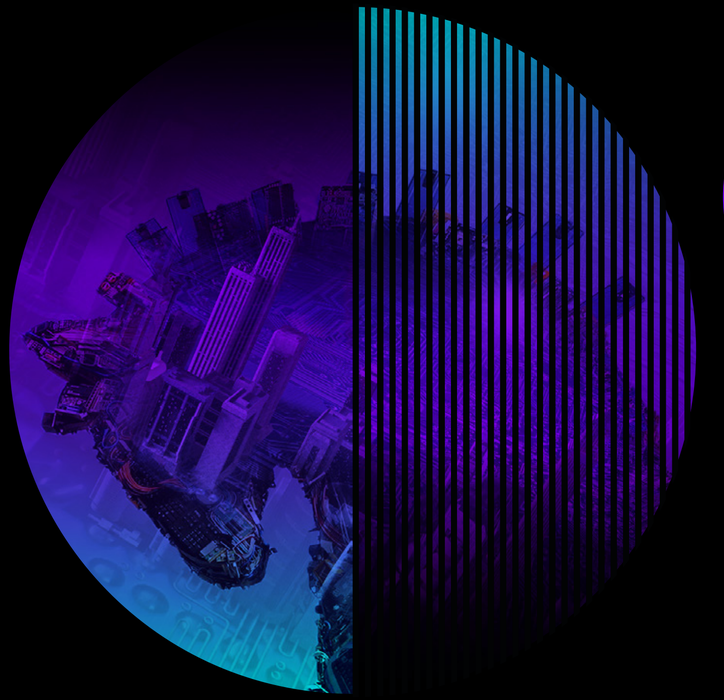
For over 15 years, Cyber Week has been a leading global cybersecurity conference. Bringing together top experts, including cybersecurity professionals, CEOs, CISOs, C-level executives, government officials, diplomats, military leaders, academics, investors, and startups, Cyber Week is Israel's premier cybersecurity event.

Cyber Week 2025 will feature sessions on:

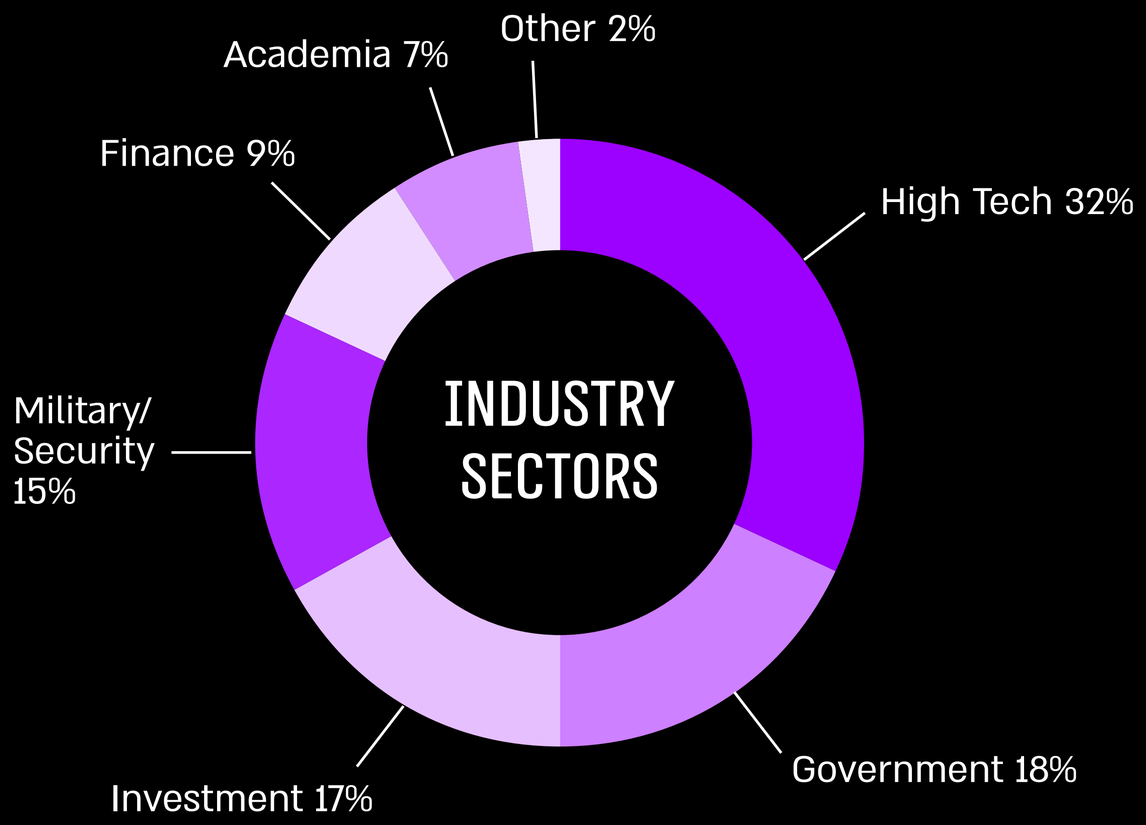
AI & Cyber | Cloud | Critical Infrastructure Protection | Cyber Terrorism & Warfare | Energy | Fraud | Health | Influence & Disinformation | Innovation | Regulation & Ethics | Resilience | Security Operations | Supply Chain | Transportation

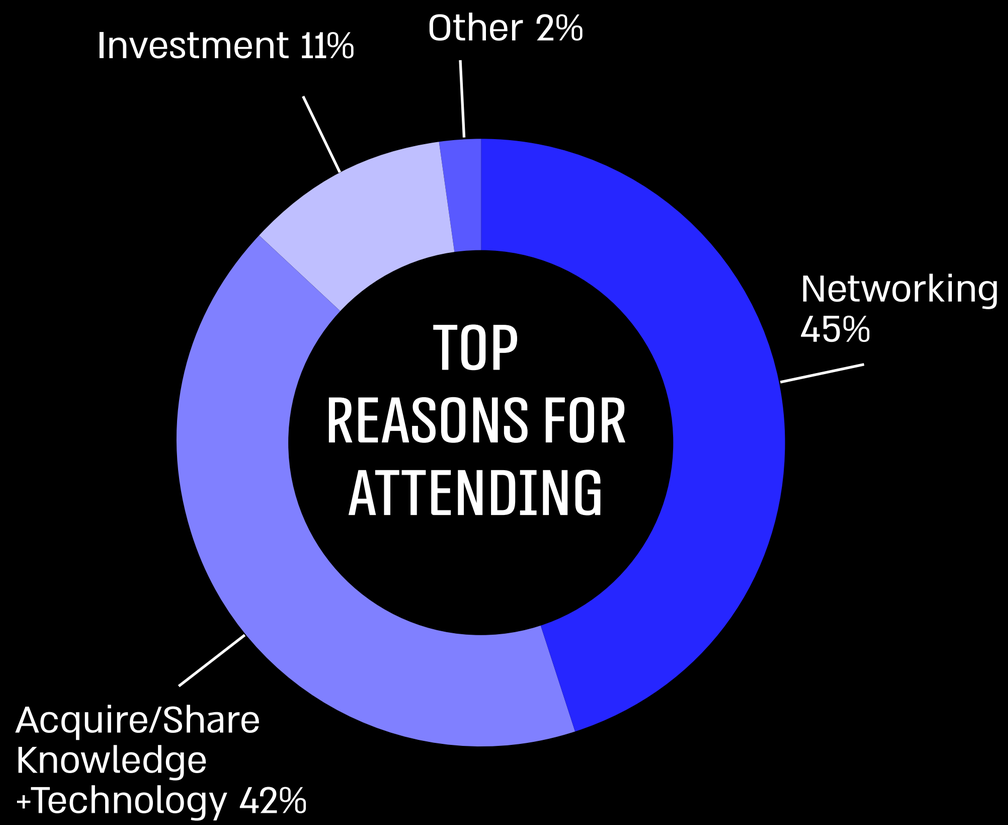
Join us to explore cutting-edge insights, innovations, and networking opportunities at one of the world's most influential cybersecurity gatherings!

CYBER WEEK 2024



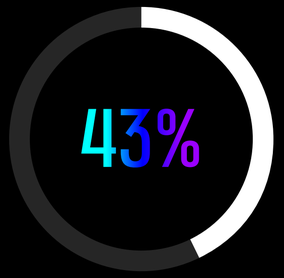
5,300	30	76+	300	7.5%
In-person attendees	Events	Countries	Speakers	Attendees from abroad



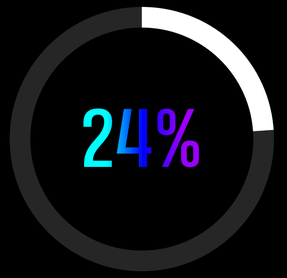


INNOVATIVE CONTENT ON:

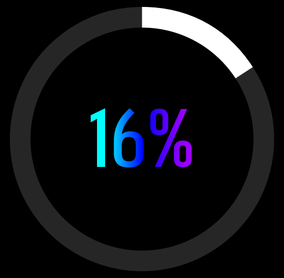
- Cloud Security
- Healthcare
- International Cooperation
- Cyber & the Israeli Industry
- FraudCON
- Combating Antisemitism
- Resilience: Lessons from the Frontlines



of Attendees from Executive Management



From Startups



First time attendees

CYBER WEEK 2023

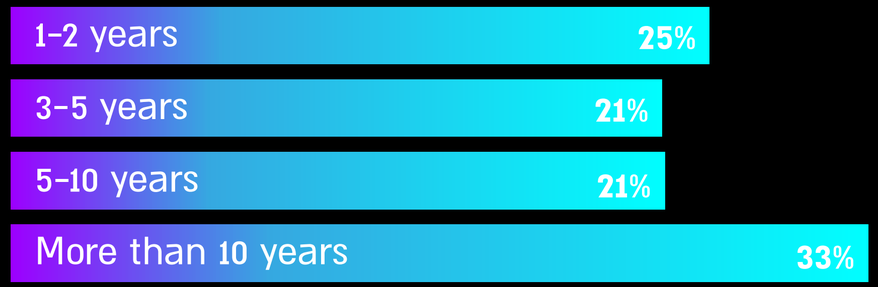
11,000 In-person Attendees

99 Countries

23% Attendees from abroad

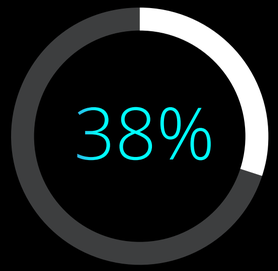
400 Expert speakers

INDUSTRY EXPERIENCE

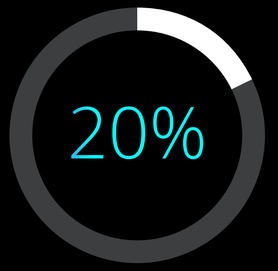


49 EVENTS INCLUDING:

- 29 Conferences
- 13 Roundtables
- 6 Social Events
- 1 Workshop



First Time CW Attendees!



Startup Representatives

TOP COUNTRIES IN ATTENDANCE

- Israel
- USA
- India
- UK
- Singapore
- Germany
- Italy
- Kenya
- UAE
- France
- Canada
- Spain
- Czech Republic
- Austria
- Ghana

Past Top Speakers

Bruce Schneier
Renowned American Cryptographer, Computer Security Professional, Privacy Specialist, and Writer
USA

Anne Neuberger
Deputy Assistant to the President & Deputy National Security Advisor for Cyber & Emerging Technologies
White House
USA

Gaby Portnoy
Director General
Israel National Cyber Directorate (INCD)
ISR

Sami Khoury
Head Canadian Centre for Cyber Security
CAN

Lindy Cameron
CEO National Cyber Security Centre
GBR

Ronen Bar
Director Israel Security Agency (Shin Bet)
ISR

Chris Roberts
Hill Billy Hit Squad
USA

Bret Arsenault
Corporate Vice President and Chief Information Security Officer, Microsoft
USA

Ivan Bartos
Deputy Prime Minister for Digitisation and Minister of Regional Development
Ministry of Regional Development
CZE

Nathaniel Fick
Ambassador at Large for Cyberspace and Digital Policy
U.S. Department of State
USA

Kemba Eneas Walden
Acting National Cyber Director
Office of the National Cyber Director
Executive Office of the President
USA

Fernando Garibay
Polymath, Academic & Super Producer; Chairman and Founder of The Garibay Institute
USA

Minister Audrey Tang
Ministry of Digital Affairs
Taiwan
TWN

Dr. Shlomit Wagman
Chief Regulatory Compliance Officer, Rapyd; Former Chair of Israel Financial Crime Authority
ISR

Craig Jones
Cybercrime Director
INTERPOL
SGP

H.E. Dr. Mohamed Al Kuwaiti
Head of Cyber Security
United Arab Emirates Government
ARE

Prof. Artur Ekert
Distinguished Professor, National University of Singapore
SIN

Jayson E. Street
Chief Chaos Officer
Truesec
USA

Cyber Week

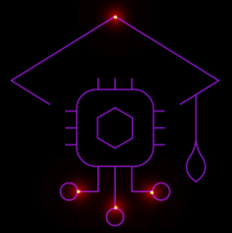
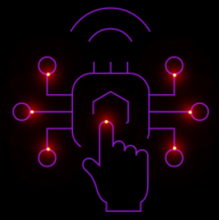
AIWEEK2025

Since 2019, AI Week has been the premier event for global AI leaders and decision-makers. This annual conference offers exceptional opportunities to learn from experts, build strategic partnerships, and enhance brand visibility.

Bringing together industry leaders, top academics, military personnel and entrepreneurs, AI Week provides audiences with the unique opportunity to explore real-world case studies and pioneering research.



EXPERT TALKS



INNOVATIVE TECHNOLOGY

TARGETED NETWORKING

RECRUITMENT OPPORTUNITIES

MARKET VISIBILITY

AI Week 2025 will explore key topics such as

Machine Learning | Deep Learning | NLP | Computer Vision | Signal Processing | Recommender Systems | Generative AI | Cyber Defense | Health & Biomed | Sustainability | Regulation & Ethics | Agriculture | Gaming

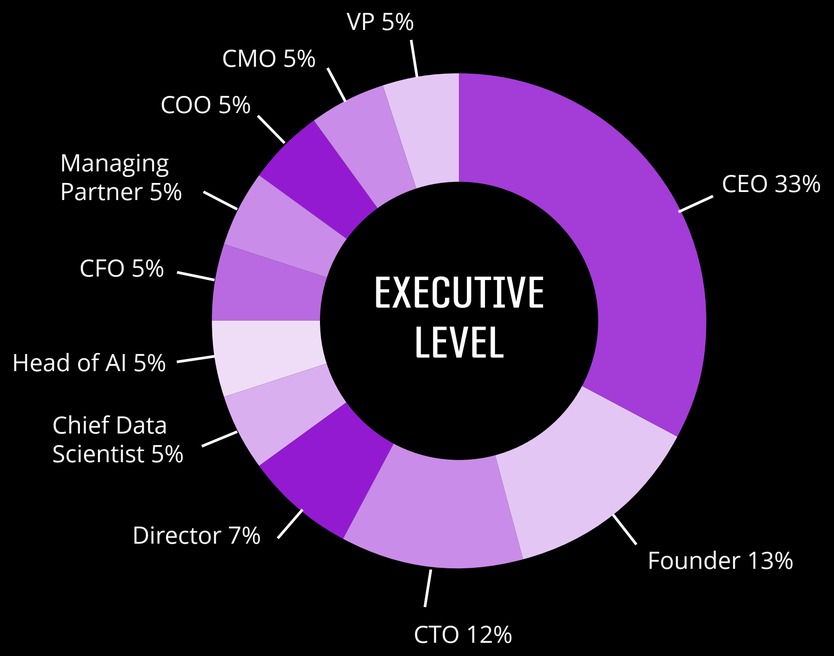
AUDIENCE BREAKDOWN AI WEEK 2024

1700

In-person Attendees

100

Expert Speakers



TOP INTEREST AREAS

- Machine Learning
- Applied AI
- Deep Learning
- Innovation
- NLP
- Computer Vision

AUDIENCE BREAKDOWN AI WEEK 2023

4000	30	25%	125
Attendees	Countries	International Attendees	Expert Speakers

TOP COUNTRIES IN ATTENDANCE

- Israel
- USA
- Czech Republic
- Japan
- Spain
- Singapore
- India
- Germany
- Italy
- Serbia

COVERING ALL ASPECTS OF AI

- Computer Vision
- NLP & Conversational AI
- AI Applications
- AI & Cyber
- Theory
- Quantum
- Ethics
- Regulation
- AI and Resilience
- Environment

PAST SPEAKERS

Dr. Fei-Fei Li
Sequoia Professor in the Computer Science Department Stanford University, Co-Director of Stanford's Human-Centered AI Institute

Jack Hidary
Chief Executive Officer, SandboxAQ

Dr. Ilya Sutskever
Co-founder & Chief Scientist, Open AI

Prof. Regina Barzilay
Department of Electrical Engineering and Computer Science, Member of the Computer Science and Artificial Intelligence Laboratory, MIT

Prof. Shimon Ullman
Professor of Computer Science, Weizmann Institue of Science

Prof. Yoav Goldberg
Research Director of AI2 Israel; Professor at the Computer Science Department, Bar-Ilan University

Prof. Rada Mihalcea
Professor of Computer Science and Engineering, University of Michigan & Director, Michigan Artificial Intelligence Lab

Prof. Abba Krieger
Robert Steinberg Professor Emeritus of Data Science and Statistics, University of Pennsylvania

Dr. Amit Bermano
Senior Lecturer, The Blavatnik School of Computer Science, Tel Aviv University

Dr. Nadav Cohen
Asst. Professor of Computer Science, Tel Aviv University; Chief Scientist at Imubit

Prof. Margaret Brandeau
Professor in the School of Engineering and a Professor of Medicine (by Courtesy), Stanford University

Dr. Yoav Levine
Assistant Professor of Co-Chief Scientist, AI21 Labs

Carme Artigas Brugal
Secretary of State for Digitalization and Artificial Intelligence, Government of Spain

Prof. Amir Globerson
The Blavatnik School of Computer Science, Tel Aviv University

Prof. Lior Wolf
Professor, School of Computer Science, Tel Aviv University

Josephine Teo
Minister for Communications and Information and Minister-in-charge of Smart Nation and Cybersecurity, Ministry of Singapore

Dr. Kira Radinsky
Chairperson and CTO, Diagnostic Robotics

Prof. Elad Hazan
Professor of Computer Science, Princeton University

Prof. Guillermo Sapiro
Assistant Prfoessor, Technion University

Prof. Meir Feder
Professor, School of Electrical Engineering, Tel Aviv University and Head, TAD

Dr. Yaniv Erlich
CEO, Eleven Therapeutics; CSO, MyHeritage.com

Prof. Assaf Zeevi
Professor of Business, Graduate School of Business, Columbia University

Prof. Reut Tsarfaty
Director, the Open Natural Language Processing research lab, at Bar-Ilan University; Visiting Professor, Google

Dr. Zachary Chase Lipton
Assistant Professor of Machine Learning and Operations Research,Carnegie Mellon University and a Visiting Scientist, Amazon AI
