ONE WEEK, TWO CONFERENCES, INFINITE POSSIBILITIES
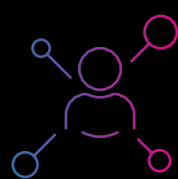

Cyber Week
June 23rd-26th, 2025
Tel Aviv University, Israel

Ai AI WEEK
June 25th-26th, 2025
Tel Aviv University

Save the Date

Cyber Week & AI Week 2025

Cyber Week and **AI Week** offer unparalleled opportunities for collaboration, knowledge exchange, and networking with global leaders in cybersecurity and artificial intelligence.

As a global hub of innovation, Israel is at the forefront of cybersecurity and AI, boasting cutting-edge research, pioneering startups, and leading multinational tech companies.

Exclusive Opportunities

High-level networking

Startups, entrepreneurs and investors

Business opportunities and bilateral ties

Top content from international leaders

Cyber Week
June 23rd–26th, 2025

Over the last fifteen years, Cyber Week has become one of the top cybersecurity conferences in the world. Cyber Week gathers cybersecurity experts, CEOs, CISOs, C-level executives, government officials, diplomats, military leaders, academics, investors, and startups. Join us at Israel's flagship cybersecurity conference.

Cyber Week is hosted by the Blavatnik Interdisciplinary Cyber Research Center at Tel Aviv University, together with the Israel National Cyber Directorate at the Prime Minister's Office.
