

nevita<sup>o</sup>ltd.

The background of the infographic is a top-down view of a white surface. It is decorated with various items: a small glass dish with pink salt crystals in the top left, a white jar of cream in the top right, a small white jar of cream in the middle right, a wooden scoop filled with pink salt crystals in the bottom right, and several small white and pink flowers scattered throughout. Green leaves are also visible on the left and right sides.

# Unleashing the Healing Powers of the Earth

Harnessing innovative  
technologies and premium  
minerals from the Dead Sea.

# Protecting you. Protecting earth.

All of Aqua Mineral™ products are SLS free, SLES free, Paraben free and Petrolatum free.

Not tested on animals.  
Eco friendly.

# Exceptional Demos

A wide variety of demonstration products that provide visible and instant results.

BEFORE

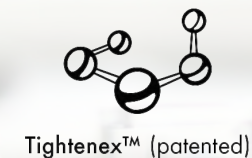

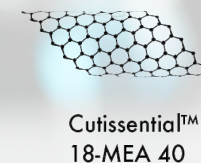

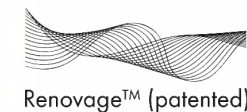

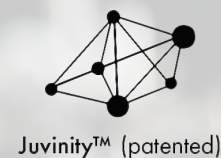

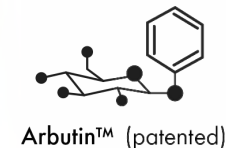

AFTER

# Patented Technologies

Various patents are incorporated into Aqua Mineral™ products in order to maximize the beautifying potential of the natural ingredients.

# Brilliant R&D

An on-going effort to develop new technologies and products.

# A Thorough Branding Process

In-depth research,  
strategy, naming, design  
and packaging.

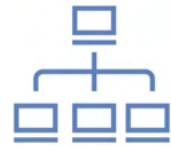

# Our Awards

# Distinct Categories

Each product category is differentiated from the rest, making it easier for sellers and consumers alike.

## Anti-Aging

Aqua Mineral™ creates the ultimate beauty experience – boosting the healing powers of earth, maximizing beauty and promoting youthfulness.

# Immediate Results, Long Lasting Benefits

Aqua Mineral™'s products produce instant results, while building up a long lasting effect, keeping the skin youthful and fresh.

## Outstanding Brand Loyalty

Over the years, Aqua Mineral™ has gained exceptional brand loyalty thanks to the high consumer satisfaction rate, memorable branding and incredible results.

# Clinical Highlights: Puffiness Eraser

Clinical studies conducted by J.S. Hamilton Poland reveal that 100% of participants, women aged 40-55, experienced significant reduction in under-eye puffiness within 10 minutes of applying Puffiness Eraser. No adverse reactions were reported, demonstrating both the efficacy and safety of the product. Fully meets EU cosmetic standards.
