

MEDICA 2025 イスラエルパビリオン出展予定企業一覧

Biogal Galed Labs	<a href="https://www.biogal.com/">https://www.biogal.com/</a>	Innovative veterinary diagnostics for smarter, evidence-based animal care
BioT Medical	<a href="http://www.biot-med.com">www.biot-med.com</a>	BioT: The Infrastructure for Medical Device Clouds
Cathetrix - Tubex	<a href="https://cathetrix.com/">https://cathetrix.com/</a>	Foley Catheter & Nephrostomy Tube Innovative Securment Devices
DIGITAL CUT O.R LTD	<a href="https://www.digital-cut.co.il">https://www.digital-cut.co.il</a>	Innovative manufacturing solutions in cutting, bonding and cleanroom assembly for diverse industrial and medical applications.
Envomed	<a href="http://www.envomed.com">www.envomed.com</a>	A sustainable on-site technology to sterilize infected medical waste
Gsap	<a href="http://GsapGlobal.com">GsapGlobal.com</a>	Gsap Global supports approval of safe and effective products by leading regulatory, clinical, quality & validation processes
InnovaMed Sphere DBA NI Medical	<a href="http://www.imedsphere.com">www.imedsphere.com</a>	Non-invasive cardiac system enhancing hemodynamic management and personalized hypertension management.
Inovytec Medical Solutions	<a href="https://www.inovytec.com/">https://www.inovytec.com/</a>	A family of a portable, robust, high-performance ventilators for in-hospital transport, military medics, emergency preparedness and homecare environments
Kemtai Ltd.	<a href="https://kemtai.com/">https://kemtai.com/</a>	Digital Physical Therapy Platform
Life Assistant Ltd.	<a href="http://www.sitnstand.com">www.sitnstand.com</a>	SitnStand - The everywhere lift chair
Lyra Medical Ltd.	<a href="https://lyramedical.com/">https://lyramedical.com/</a>	An innovative, clinically proven, safe, anchorless implant for Pelvic Organ Prolapse treatment
MDC Compounds & Tubing	<a href="https://www.mdcindustries.com">https://www.mdcindustries.com</a>	Compounds and tubing for medical devices
Motion Informatics	<a href="https://motioninformatics.ai/">https://motioninformatics.ai/</a>	Personalized neuro-rehabilitation using AI, AR, and real-time biofeedback stimulation
Nanox Imaging	<a href="https://www.nanox.vision/">https://www.nanox.vision/</a>	NANOX.ARC: The Next Generation of Medical Imaging   Digital Multi-Source 3D Tomosynthesis Imaging System
Neteera Technologies Ltd.	<a href="http://www.neteera.com">www.neteera.com</a>	Contactless remote patient monitoring that benefits healthcare professionals and patients.
Oxitone Medical	<a href="https://www.oxitone.com/">https://www.oxitone.com/</a>	Continuous Remote patients Monitoring Technology for Chronic disease and Pregnancy Monitoring
Pharma Sept	<a href="http://www.pharmasept.com">www.pharmasept.com</a>	Pharma Sept provides sterile, innovative surgical drapes ensuring safety, efficiency, and global compliance
Physiclean Ltd	<a href="https://physiclean.com/">https://physiclean.com/</a>	An innovative line of products engineered to block harmful contaminants from entering the patient's environment through the sewage system
PixCell Medical	<a href="https://www.pixcell-medical.com/">https://www.pixcell-medical.com/</a>	Compact. Reliable. Lab-grade CBC at the Point of Care.
Plasto Design	<a href="https://www.plastodesign.com/">https://www.plastodesign.com/</a>	Innovative safety syringes prevent needlestick injuries and reduce pathogen risks.

Quality in Flow (QinFlow)	<a href="http://www.qinflow.com">www.qinflow.com</a>	Gold standard blood/fluid warmers for the entire continuum of care
Silicone Value Ltd.	<a href="http://www.silicone-value.com">www.silicone-value.com</a>	Development and production center of technological, innovative & modern silicone products
Sure Universal Ltd.	<a href="http://www.sureuniversal.com">www.sureuniversal.com</a>	Remote Monitoring Mobile Platform
SYNC Projects	<a href="http://www.sync.co.il">www.sync.co.il</a>	Your Partner for Global Regulatory Compliance
TechnoPulm	<a href="http://T-pulm.com">T-pulm.com</a>	Handheld PFT device delivering accurate, non-invasive, real-time lung function testing anywhere, anytime.
TW Medical	<a href="https://t-w-medical.com/en/">https://t-w-medical.com/en/</a>	Next-gen hemorrhage control
Valens Semiconductor	<a href="http://www.valens.com">www.valens.com</a>	Valens offers high-performance connectivity chipsets for medical imaging and endoscopes.
Viasonix Ltd.	<a href="http://www.viasonix.com">www.viasonix.com</a>	Viasonix - Leader in TCD and Vascular Medical Devices.
Vigor Medical Technologies	<a href="http://www.vigormt.com">www.vigormt.com</a>	Life Saving technologies for effective chest and abdominal drainage and trauma diagnostics
Virtual Ports	<a href="http://www.virtual-ports.com">www.virtual-ports.com</a>	Un-matched, single hand organ and tissue maneuvering during laparoscopic surgery.
Vivothreads	<a href="https://vivothreads.com/">https://vivothreads.com/</a>	Where textiles and innovation converge.
WizeCare Technologies	<a href="http://www.wizecare.com">www.wizecare.com</a>	AI-powered digital rehab platform enabling remote assessment, care, and progress tracking
