The Israel-Japan
Friendship Society and
Chamber of Commerce

January 26, 2026 (Day 1) 15:00-16:30 // Expo Tel Aviv, Pavilion 2, Hall K

Cyber Opportunities in Japan, a special side event at Cybertech Global Tel Aviv 2026, will spotlight Japan and Israel's growing and forward-looking partnership built on innovation, trust, and complementary strengths. This focused side event at Cybertech Global Tel Aviv 2026 will bring together senior stakeholders from both countries to explore business opportunities, policy shifts, and the strategic importance of Japan-Israel collaboration in a rapidly evolving technology landscape.

The side event will serve as a high-value networking platform, enabling meaningful dialogue, knowledge exchange, and the formation of strategic business partnerships across the global cybersecurity ecosystem.
