TO WELLNESS

About Us

- Carmit was founded in **1973** as a family business with close to 50 years of developing & marketing a wide range of confectionery products for the local and the international market.
- The company, **publicly traded** on the Tel Aviv Stock Exchange since **1994**, has grown to become one of the leading candy, confectionary & **Better For You Products** in the Israeli market and the international arena – we have been **exporting to the US & Australia for close to 30 years.**
- Since **1995** we have expanded our range to **healthy snacks, candy & confectionery** to meet the market changing demands; our factory is responding to allergy risks segment with a variety range of **Better For You Products.**
- Today, with close to 50 years of combined experience & proven track record as a **Gluten Free, Egg-Free, Vegan** manufacturer, Carmit is a confectionary supplier to the most demanding consumer markets of North America, Europe and Australia.
