MAKE MY DAY
Finally , EV charging for All !

EV Charging optimizing for Drivers and Fleets In a B2B SaaS model

THE NEED Optimizing Charging Station Planning for EV Drivers and EV Fleets

Where can I find charging stations?

Planning the drive is complicated

Is the charging station available ?

What is my range ?

What do I do while my car is charging ?

MAKE MY DAY

EV FLEET OPTIMIZATION – SHIFTING FROM GASOLINE TO EV

Companies shifting Fleets to EV in order to Meet the conditions of reduction the Co2

Huge Cost Reduction for the fleet by shifting to EV
