

Vootto
Reclaim your Airspace

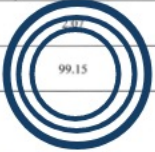

When was the last Time you had control?

The air around us is filled with dangers that we can't even see, and surely can't control. Our Airspace had been invaded, especially in urban areas, and it's about time you'll be able to take control back.

Vootto let's you filter out anything that you don't want in your airspace. You decide what gets in, what gets to stay, and what will be gone forever. Breathe how, and what you want. Reclaim your Airspace.

ActiveShield eliminates COVID-19 with 99.1% efficiency
