GOLDSTAR

Israel's no. 1 Beer

For decades, Goldstar has been Israel's no. 1 beer. More than 65 million bottles of Goldstar are sold every year in our local market of Israel. The reason for our success is simple: we never compromise on flavor.

Premium amber lager

Goldstar is an original, amber lager brewed from a blend of pale and roasted malts that creates a deep, complex, malty flavor. European noble hops inspire the perfect balance between malty sweetness and hoppy bitterness. Goldstar's unique flavor hasn't changed since it was first brewed in 1950.

Ingredients: water, barley malt, hops.
